TO: USAID/Malawi, Mission Director, Catie Lott

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Pakachere Institute for Health Development Communication in Malawi Under Cooperative Agreement 72061219CA00007, October 1, 2019, to February 28, 2021 (Report No. 4-612-22-032-R)

This memorandum transmits the final audit report on USAID resources managed by Pakachere Institute for Health Development Communication (Pakachere IHDC), Local Endeavors for HIV/AIDS Prevention and Treatment (LEAP) Project. Pakachere IHDC contracted with the independent certified public accounting firm Mwenelupembe, Mhango & Co., Blantyre, Malawi, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Pakachere IHDC's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the period audited, was presented fairly, in all material respects; (2) evaluate the Pakachere IHDC's internal controls; (3) determine whether Pakachere IHDC complied with award terms and applicable laws and regulations; and (4) review the implementation status of the prior period recommendations.

To answer the audit objectives, Mwenelupembe, Mhango & Co. (1) audited the fund accountability statement for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Pakachere IHDC as incurred from October 1, 2019, to February 28, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control

¹ We reviewed the audit firm's report for conformity with professional reporting standards. procedures that pertain to Pakachere IHDC's ability to report financial data consistent with the assertions embodied in each account of the fund accountability statement; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the fund accountability statement; and (4) reviewed the implementation status of the prior period recommendations. Pakachere IHDC reported expenditures of \$2,010,669 in USAID funds during the audited period.

The audit firm concluded the fund accountability statement presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm issued a management letter.

Accordingly, we are not making any recommendations.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated January 28, 2022.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
