MEMORANDUM

DATE: February 1, 2022

TO: USAID/Southern Africa, Regional Mission Director, Andrew Karas

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Children in Distress Network in South Africa Under Cooperative Agreement 72067418CA00030, April 1, 2020, to March 31, 2021 (Report No. 4-674-22-033-R)

This memorandum transmits the final audit report on USAID resources managed by Children in Distress Network (CINDI), under the Preventing HIV/AIDS in Vulnerable Populations in South Africa program. CINDI contracted with the independent certified public accounting firm Nexia SAB&T, Durban, South Africa, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CINDI's Schedule of Expenditures of USAID Awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the Schedule of Expenditures of USAID Awards for the period audited, was presented fairly, in all material respects; (2) evaluate CINDI's internal controls; (3) determine whether CINDI complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Nexia SAB&T (1) audited the Schedule of Expenditures of USAID Awards for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CINDI as incurred from April 1, 2020, to March 31, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CINDI's ability to report financial data consistent with the assertions embodied in each account of the Schedule of Expenditures of USAID Awards; (3) identified the award terms and pertinent

laws and regulations and determined which of those, if not observed, could have a direct and material effect on the Schedule of Expenditures of USAID Awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. CINDI reported expenditures of \$3,879,569 in USAID funds during the audited period.

The audit firm concluded the Schedule of Expenditures of USAID Awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and one instance of material noncompliance. The audit firm also issued a management letter.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated February 1, 2022.

To address the issues identified in the report, we recommend that USAID/Southern Africa:

Recommendation I. Verify that Children in Distress Network corrects the one instance of material noncompliance detailed on pages 28 to 29 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
