MEMORANDUM

DATE: June 22, 2022

TO: USAID/Kenya and East Africa, Mission Director, Mark Meassick

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by MOI Teaching and Referral Hospital in Kenya Under Agreement AID-615-A-12-00001, July 1, 2020, to June 30, 2021 (Report No. 4-615-22-066-R)

This memorandum transmits the final audit report on USAID resources managed by MOI Teaching and Referral Hospital in Kenya (MTRH) under the AMPATHPlus Program. MTRH contracted with the independent certified public accounting firm Deloitte & Touche, Nairobi, Kenya, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education and an external peer review that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on MTRH's schedule of expenditure of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditure of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate MTRH's internal controls; (3) determine whether MTRH complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; (5) review cost-sharing contribution; and (6) review the implementation status of the prior period recommendations.

To answer the audit objectives, Deloitte & Touche (1) audited the schedule of expenditure of USAID awards for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by MTRH as incurred from July 1, 2020, to June 30, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to MTRH's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditure of USAID awards; (3) identified the award terms and pertinent

laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditure of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; (5) determined that the review of cost-sharing was not applicable; and (6) reviewed the implementation status of the prior period recommendations. MTRH reported expenditures of \$23,461,441 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditure of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited except for \$44,318 in ineligible questioned costs. The audit also identified one significant deficiency in internal control and four instances of material noncompliance. In addition, although we are not making a recommendation for the significant deficiency noted in the report, we suggest that USAID/Kenya and East Africa determine if the recipient addressed the issues noted. The audit firm issued a management letter.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated June 22, 2022.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

Recommendation 1. Determine the allowability of \$44,318 in ineligible questioned costs on page 19 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that MOI Teaching and Referral Hospital corrects the four instances of material noncompliance detailed on pages 34 to 40 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
