MEMORANDUM

DATE: June 9, 2022

TO: USAID/Nigeria, Mission Director, Anne Patterson

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Center for Clinical Care and Clinical Research in Nigeria Under Cooperative Agreement 72062020CA00006, October 1, 2020, to September 30, 2021 (Report No. 4-620-22-064-R)

This memorandum transmits the final audit report on USAID resources managed by Center for Clinical Care and Clinical Research (CCCRN) under the Integrated Child Health and Social Services Award. CCCRN contracted with the independent certified public accounting firm Parker Randall, Lagos, Nigeria, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have continuing professional education that fully satisfied the requirements of GAGAS. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CCCRN's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CCCRN's internal controls; (3) determine whether CCCRN complied with award terms and applicable laws and regulations; and (4) review the implementation status of the prior period recommendations.

To answer the audit objectives, Parker Randall (1) audited the schedule of expenditures of USAID awards for the award including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CCCRN as incurred from October 1, 2020, to September 30, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CCCRN's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

a direct and material effect on the schedule of expenditures of USAID awards; and (4) reviewed the implementation status of the prior period recommendations. CCCRN reported expenditures of \$3,660,868 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and two instances of material noncompliance. Since the material noncompliance instances are repeat findings reported in the prior period, we will not include a recommendation again.

Accordingly, we are not making any recommendations.

During our desk review, we noted several minor issues which the audit firm will need to address in future audit reports. We presented these issues in a memo to the controller, dated June 9, 2022.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
