MEMORANDUM

DATE: September 2, 2022

TO: USAID/Kenya and East Africa, Mission Director, David Gosney

FROM: USAID OIG Africa Regional Office, Audit Director, Robert Mason /s/

SUBJECT: Financial Audit of USAID Resources Managed by Centre for Health Solutions in Kenya Under Cooperative Agreement 72061518CA00004, January 1 to December 31, 2021 (Report No. 4-615-22-090-R)

This memorandum transmits the final audit report on USAID resources managed by Centre for Health Solutions (CHS) in Kenya under the TB Accelerated Response and Care II (TB ARC II) program. CHS contracted with the independent audit firm PricewaterhouseCoopers LLP, Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards’ requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CHS’s schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.1

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CHS’s internal controls; (3) determine whether CHS complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PricewaterhouseCoopers LLP (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CHS as incurred from January 1 to December 31, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CHS’s ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent

1 We reviewed the audit firm’s report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor’s supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.
laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. CHS reported expenditures of $6,020,064 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified $123,509 in total ineligible questioned costs, of which $47,272 was subsequently refunded and credited against expenses in the subsequent period; no material weaknesses in internal control; and two instances of material noncompliance. The audit firm also issued a management letter.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

**Recommendation 1.** Determine the allowability of $76,237 in ineligible questioned costs on pages 17, 28, and 30 of the audit report and recover any amount that is unallowable.

**Recommendation 2.** Verify that Centre for Health Solutions corrects the two instances of material noncompliance detailed on pages 28 to 31 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4)(“commercial or financial information obtained from a person that is privileged or confidential”).
