MEMORANDUM

DATE: September 7, 2022

TO: USAID/Pakistan Mission Director, Reed Jay Aeschliman

FROM: USAID OIG Asia Regional Office USDH NFA Coordinator, Rhonda M. Horried /s/

SUBJECT: Financial Audit of the Community Mobilization for WASH Behavior Change in Khyber Pakhtunkhwa in Pakistan Managed by the Government of Khyber Pakhtunkhwa, Grant 59 PIL 391-DG/MSP/KP-RAA-001-17, for the Fiscal Year that Ended June 30, 2021 (5-391-22-025-R)

This memorandum transmits the financial audit report on the Community Mobilization for WASH Behavior Change in Khyber Pakhtunkhwa in Pakistan (the project), managed by the Local Government, Elections and Rural Development Department of the Government of Khyber Pakhtunkhwa (LGE & RDD) (the recipient) under Grant 59 PIL 391-DG/MSP/KP-RAA-001-17, for the fiscal year that ended June 30, 2021. The Auditor General of Pakistan (Auditor General) conducted the audit. The Auditor General stated that it performed its audit in accordance with International Organization of Supreme Audit institutions' standards. The Auditor General is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the recipient's schedule of expenditures of USAID awards, the effectiveness of its internal control, or its compliance with the award, laws, and regulations.¹

The main audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited was presented fairly, in all material respects; (2) evaluate the recipient's internal controls; and (3) determine whether the recipient complied with award terms and applicable laws and regulations. To answer the audit objectives, the Auditor General reported that it reviewed the project's revenues and expenditures, assessed relevant internal controls, and tested compliance with applicable requirements. The audit examined the project's revenues and costs of \$395,214 each for the audited period.

¹ We reviewed the audit report for conformity with professional reporting standards. Our desk reviews are typically performed to identify items that need clarification or issues that require management attention. Desk reviews are limited to review of the audit report itself and exclude review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The Auditor General concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, revenues and costs incurred for the audited period. The Auditor General did not identify any questioned costs, material weaknesses in internal control, or instances of material noncompliance. In its management letter, the Auditor General identified 6 findings one of which related to weak internal control and financial mismanagement and resulted in irregular payment of \$59,889 (Rs.7.428 million) that we consider to be ineligible questioned costs and therefore, we are making a questioned cost recommendation to the mission.

To address the issue identified in the report, we recommend that USAID/Pakistan:

Recommendation I. Determine the allowability of \$59,889 in ineligible questioned costs detailed on page 18 in finding 4.1.1 of the audit report and recover any amount that is unallowable.

We ask that you provide your written notification of actions planned or taken to reach management decision.
