FROM: Director of External Financial Audit Division (IG/A/EFA), David A. McNeil /s/

SUBJECT: Single Audit of The Nature Conservancy for the Year Ended June 30, 2020

(3-000-24-054-T)

This memorandum transmits the final audit report on the single audit of The Nature Conservancy for the Year Ended June 30, 2020. The audit report was obtained from the Federal Audit Clearinghouse. The Nature Conservancy contracted with the independent certified public accounting firm of PricewaterhouseCoopers LLP, (PWC) to conduct the audit. PWC stated that it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and in accordance with Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. PWC is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on The Nature Conservancy's schedule of expenditures for Federal awards; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations. ¹

PWC's audit objectives were to: (I) express an opinion on the consolidated financial statements; (2) obtain reasonable assurance about whether The Nature Conservancy's consolidated financial statements are free from material misstatement; and (3) express an opinion on compliance for each of The Nature Conservancy's major Federal programs based on its audit with the types of compliance requirements described in the Office of Management and Budget (OMB) Compliance Supplement that could have a direct and material effect on each of The Nature Conservancy's major federal programs for the year ended June 30, 2020. To answer the audit objectives, PWC: (I) obtained evidence about the amounts and disclosures in the financial statements; (2) evaluated the appropriateness of accounting policies used and

¹ We reviewed the audit firm's report for conformity with professional reporting standards. the reasonableness of significant accounting estimates made by management, and evaluated the overall presentation of the financial statements; and (3) considered The Nature Conservancy's internal control over financial reporting and performed tests of The Nature Conservancy's compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The Nature Conservancy's audited expenditures of Federal awards was \$66,241,906, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$4,812,476.

PWC expressed an unmodified opinion on the financial statements and on compliance for major programs. Further, PWC reported that it did not find any deficiencies in internal control it considered to be material weaknesses or significant deficiencies in internal control over financial reporting. Additionally, PWC did not find any material weaknesses or significant deficiencies on internal control over major programs. PWC did, however, identify one audit finding with no associated questioned costs that was required to be reported in accordance with 2 CFR 200.516(a). However, the audit finding did not originate from USAID-associated awards.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4)("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
