**DATE:** July 16, 2024

**TO:** USAID/Southern Africa, Regional Mission Director, Leslie Marbury

**FROM:** USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by HIV SA NPC in South Africa Under Cooperative Agreement 72067418CA00031, October 1, 2022, to September 30, 2023 (Report No. 4-674-24-105-R)

This memorandum transmits the final audit report on USAID resources managed by HIV SA NPC, Preventing HIV/AIDS in Vulnerable Populations focusing on Orphans and Vulnerable Children in the Gauteng Province. HIV SA contracted with the independent audit firm Nexia SAB&T, Centurion, South Africa to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on HIV SA's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate HIV SA's internal controls; and (3) determine whether HIV SA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Nexia SAB&T (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by HIV SA as incurred from October 1, 2022, to September 30, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to HIV SA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and

regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. HIV SA reported expenditures of \$5,383,748 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.
