SUBJECT: Audit of Incurred Costs for DT Global, Inc., for Fiscal Years Ended September

30, 2020, and 2021 (3-000-24-053-I)

This memorandum transmits the final audit report on incurred costs submission (ICS) for DT Global, Inc., (DT Global) for Fiscal Years (FY) Ended September 30, 2020, and 2021. The U.S. Agency for International Development (USAID) Office of Acquisition and Assistance, Cost, Audit and Support Division, Contract Audit Management Branch contracted with the independent certified public accounting firm of Tichenor & Associates, LLP, (Tichenor) to conduct the audit. Tichenor stated that it performed its audit in accordance with government auditing standards issued by the Comptroller General of United States. Tichenor is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on whether costs claimed by DT Global, in its FYs 2020 and 2021 ICS are accurate, allowable, allocable, and reasonable in accordance with contract terms and applicable Government acquisition regulations. Tichenor's audit objectives were to test DT Global's FYs 2020 and 2021 ICS as per the Federal Acquisition Regulation (FAR), USAID Acquisition Regulation (AIDAR), 2 CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Federal Travel Regulations, the Department of State Standard Travel Regulations (DSSR), Buy-American requirements, and U.S. Government contract/award terms. To answer the audit's objectives, Tichenor (I) reviewed DT Global's FYs 2020 and 2021 Incurred Cost Submission (ICS) and reconciled it to the general ledger; (2) reviewed applicable rules, regulations, and guidance; (3) reviewed DT Global's policies and procedures regarding claimed direct and indirect costs; (4) examined, on a test basis, evidence supporting the amounts and disclosures in DT Global's data and records evaluated; and (5) assessed the accounting principles used and significant estimates made by DT Global. Tichenor examined USAID allowable costs of

\$56,993,260 for FY 2020 and \$50,233,645 for FY 2021.

Tichenor concluded that DT Global prepared its FYs 2020 and 2021 ICSs in accordance with applicable Government acquisition regulations in the FAR, the AIDAR, and the DSSR regarding accuracy, allowability, allocability, and reasonableness of incurred costs and is appropriate for the Contracting Officer's use in finalizing of allowable costs and indirect rates for the 2020 and 2021 fiscal years. Further, Tichenor identified no questioned costs or adjustments to the proposed direct and indirect amounts for contract reimbursement on select unsettled flexibly priced contracts in the ICSs submitted by DT Global for the period of October 1, 2019, through September 30, 2021.
