This memorandum transmits the final audit report on the Single Audit of the International Foundation for Electoral Systems' (IFES) Financial Statements for September 30, 2020. The audit report was obtained from the Federal Audit Clearinghouse. RSM US LLP (RSM) performed the Title 2 U.S. Code of Federal Regulations (CFR) Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States. RSM is responsible for the enclosed report and the conclusions expressed in it. RSM's audit objectives were to: (1) express an opinion on the September 30, 2020, financial statements; (2) obtain reasonable assurance about whether IFES's financial statements are free from material misstatement; and (3) express an opinion on compliance for each major federal program. federal program occurred. IFES's audited expenditures of Federal awards were \$42,719,769, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$39,668,564.

RSM stated that the financial statements present fairly, in all material respects, the financial position of IFES as of September 30, 2020, and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Further, RSM reported it did not identify any deficiencies in internal control that we consider to be material weaknesses. Also, RSM disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards. In addition, in RSM's opinion, IFES complied, in all material respects, with the types of compliance requirements that could have a direct and material effect on its major federal program for the year ended September 30, 2020. RSM did not identify any questioned costs relating to Federal awards as defined in the Uniform Guidance. Finally, RSM issued a Management Letter dated May 20, 2021.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
