MEMORANDUM

DATE: September 23, 2024

TO: USAID/Kenya and East Africa, Mission Director, David Gosney

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by World Vision Kenya Under Multiple Awards, October 1, 2022, to September 30, 2023 (Report No. 4-615-24-131-R)

This memorandum transmits the final audit report on USAID resources managed by World Vision Kenya (WVK) under the following awards: 1) Tumikia Mtoto Project, cooperative agreement 72061521CA00002; and 2) Health Evaluation and Applied Research Development (HEARD) Project, sub-agreement FY22-A02-6024 under University Research Co., LLC (URC). WVK contracted with the independent audit firm Deloitte & Touche LLP, Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review and a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on WVK's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate WVK's internal controls; (3) determine whether WVK complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Deloitte & Touche LLP (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by WVK as incurred from October 1, 2022, to September 30, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

pertain to WVK's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. WVK reported expenditures of \$11,633,327 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$109,177 in ineligible questioned costs; no material weaknesses in internal control; and four instances of material noncompliance. The audit firm also identified \$85,508 unsupported cost share contributions. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Kenya and East Africa determine if the recipient addressed the issues noted.

During our desk review, we noted one area for improvement which the audit firm should address in future audit reports. We presented this area in a memo to the controller, dated September 23, 2024.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

Recommendation 1. Determine the allowability of \$109,177 in ineligible questioned costs on pages 26 and 30 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that World Vision Kenya corrects the four instances of material noncompliance detailed on pages 44 to 52 of the audit report.

Recommendation 3. Determine the allowability of \$85,508 in unsupported cost-sharing contributions on pages 53, and 48 to 49 of the audit report and take any corrective action deemed necessary under ADS 303.3.10.3.

We ask that you provide your written notification of actions planned or taken to reach management decision.
