MEMORANDUM

DATE: September 25, 2024

TO: USAID/Uganda, Mission Director, Daniele Nyirandutiye

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Uganda Women's Efforts to Save Orphans Under Cooperative Agreement 72061722CA00004, January 1 to December 31, 2023 (Report No. 4-617-24-133-R)

This memorandum transmits the final audit report on USAID resources managed by Uganda Women's Efforts to Save Orphans (UWESO) for the Orphans and Vulnerable Children North-east Activity. UWESO contracted with the independent audit firm Kisaka & Company, Kampala, Uganda to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS) and international standards of auditing (ISA) in conjunction with GAGAS. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on UWESO's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate UWESO's internal controls; (3) determine whether UWESO complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Kisaka & Company (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by UWESO as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to UWESO's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and

¹ We reviewed the audit firm's report for conformity with professional reporting standards. regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. UWESO reported expenditures of \$1,597,632 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$2,091 in ineligible questioned costs; two material weaknesses in internal control (one repeat finding from prior period); and two instances of material noncompliance (both repeat instances from prior period). Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation. Nevertheless, we suggest that USAID/Uganda, determine the allowability of the \$2,091 in questioned costs and recover any amount determined to be unallowable.

During our desk review, we noted one area for improvement which the audit firm should address in future audit reports. We presented this area in a memo to the controller, dated September 25, 2024.

To address the issues identified in the report, we recommend that USAID/Uganda:

Recommendation I. Verify that Uganda Women's Efforts to Save Orphans corrects the one material weakness in internal control detailed on page 34 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
