**SUBJECT:** Single Audit of Global Communities and Related Entities for the Year Ended September 30, 2021 (3-000-25-004-T)

This memorandum transmits the final audit report on the single audit of Global Communities and Related Entities (Global Communities) for the year ended September 30, 2021. The audit report was obtained from the Federal Audit Clearinghouse. Global Communities contracted with the independent audit firm Gelman Rosenberg & Freedman CPAs and Advisors (GRF) to conduct the audit. GRF stated that it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and in accordance with Title 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. GRF is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Global Communities' schedule of Federal expenditures; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.<sup>1</sup>

GRF's audit objectives were to: (1) express an opinion on the combined financial statements; (2) obtain reasonable assurance about whether Global Communities' combined financial statements are free from material misstatement; and (3) express an opinion on compliance for each of Global Communities' major Federal programs based on its audit of the types of compliance requirements described in the Office of Management and Budget Compliance Supplement that could have a direct and material effect on each of Global Communities' major

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Federal programs for the year ended September 30, 2021. To answer the audit objectives, GRF: (1) obtained evidence about the amounts and disclosures in the combined financial statements; (2) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and evaluated the overall presentation of the financial statements; and (3) considered Global Communities' internal control over financial reporting and performed tests of Global Communities' compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. Global Communities' audited expenditures of Federal awards was \$110,017,235, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$103,384,912.

GRF expressed an unmodified opinion on the financial statements and on compliance for major programs. Further, GRF reported that it did not find any deficiencies in internal control it considered to be material weaknesses and significant deficiencies in internal control over financial reporting and on internal control over major programs. Finally, GRF did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not identify any questioned costs in its Federal awards audit for Global Communities.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.<sup>2</sup>
