SUBJECT: Single Audit of Pan American Development Foundation for the Year Ended September 30, 2022 (3-000-25-008-T)

This memorandum transmits the final audit report on the single audit of Pan American Development Foundation (the Foundation) for the year ended September 30, 2022. The audit report was obtained from the Federal Audit Clearinghouse. The Foundation contracted with the independent audit firm Gelman, Rosenberg & Freedman (GRF) to conduct the audit. GRF stated it performed its audit in accordance with U.S. Government accounting standards issued by the Comptroller General of the United States and Title 2 Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. GRF is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the Foundation's schedule of expenditures for Federal awards; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.¹

GRF's audit objectives were to: (1) audit the Foundation's financial statements comprising the statements of financial position as of September 30, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements; and (2) audit the Foundation's compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget Compliance Supplement that could have a direct and material

¹ We reviewed the audit firm's report for conformity with professional reporting standards. effect on each of the Foundation's major Federal programs for the year ended September 30, 2022. To answer the audit objectives, GRF: (1) exercised professional judgment and maintained professional skepticism throughout the audit; (2) identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks; (3) obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control; (4) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and (5) concluded whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time. The Foundation's audited expenditures of Federal awards was \$80,783,177, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$49,110,354.

GRF expressed an unmodified opinion on the Foundation's financial statements and on compliance for major Federal programs. Further, GRF reported that it did not find any material weaknesses or significant deficiencies in internal control over financial reporting and internal control over major programs. Finally, GRF did not identify any audit findings required to be reported in accordance with 2 CFR 200.516(a) and did not report any Federal award findings and questioned costs.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
