

OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

MEMORANDUM

DATE: September 26, 2024

TO: USAID/Indonesia Mission Director, Jeffery P. Cohen

FROM: Asia Regional Office, Assistant Director, Rhonda M. Horried /s/

SUBJECT: Financial Audit of USAID Technical and Management Support to Indonesian Endowment Fund for Education Scholarship Activity, Managed by Indonesian International Education Foundation, Contract 72049721C00002, October 18, 2021 to December 31, 2023 (5-497-24-052-R)

This memorandum transmits the final audit report on “USAID Technical and Management Support to Indonesian Endowment Fund for Education Scholarship Activity” managed by Indonesian International Education Foundation (IIEF) under contract number 72049721C00002, from October 18, 2021 to December 31, 2023. The IIEF contracted with the independent audit firm, Johan Malonda Mustika & Rekan to conduct the audit. The audit firm stated it performed its audit in accordance with generally accepted government auditing standards (GAGAS) and USAID Financial Audit Guide for Foreign Organizations. However, the audit firm disclosed that it did not have continuing professional education and external peer review programs that fully satisfy GAGAS requirements because professional organizations in Indonesia do not provide external quality control reviews. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the recipient’s schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to (1) express an opinion on whether IIEF’s schedule of expenditures of USAID awards for the period audited were presented fairly, in all material respects; (2) evaluate IIEF’s internal controls related to the USAID-funded project; and (3) determine whether IIEF complied with the award terms and applicable laws and regulations. To answer the audit objectives, the audit firm conducted this financial audit that covered costs of \$1,418,091, for the audited period.

¹ We reviewed the audit firm’s report for conformity with professional reporting standards. Our desk reviews are typically performed to identify items that need clarification or issues that require management attention. Desk reviews are limited to review of the audit report itself and exclude review of the auditor’s supporting workpapers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, project revenues and costs incurred under the agreement for the period audited. The audit firm did not identify any questioned costs, any material weaknesses in internal control, or any material instances of noncompliance.

During our desk review, we noted areas for improvement that the audit firm will need to address in its future audit reports. We presented these deficiencies in a memorandum to the mission controller dated September 26, 2024.

The report does not include any recommendations for your action.
