TO: USAID/West Africa, Regional Mission Director, Jo Lesser-Oltheten

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Génération Femme du 3ème Millénaire in Côte d'Ivoire Under Cooperative Agreement 72062423CA00002, January 1 to December 31, 2023 (Report No. 4-624-25-018-R)

This memorandum transmits the final audit report on USAID resources managed by Génération Femme du 3ème Millénaire in Côte d'Ivoire (GFM3) for the Impact4Life Activity. GFM3 contracted with the independent audit firm Forvis Mazars, Abidjan, Côte d'Ivoire to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review and continuing professional education programs that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on GFM3's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate GFM3's internal controls; (3) determine whether GFM3 complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Forvis Mazars (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by GFM3 as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to GFM3's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and

regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. GFM3 reported expenditures of \$1,442,103 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.
