MEMORANDUM

DATE: November 20, 2024

TO: USAID/West Africa, Regional Mission Director, Jo Lesser-Oltheten

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Global Shea Alliance in Multiple Countries Under Cooperative Agreement AID-624-A-16-00010, January 1 to December 31, 2023 (Report No. 4-624-25-023-R)

This memorandum transmits the final audit report on USAID resources managed by Global Shea Alliance (GSA) under the Sustainable Shea Initiative Project in Sub-Saharan Africa. GSA contracted with the independent audit firm PricewaterhouseCoopers, Accra, Ghana to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review and continuing professional education programs that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on GSA's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate GSA's internal controls; (3) determine whether GSA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PricewaterhouseCoopers (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by GSA as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to GSA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent

¹ We reviewed the audit firm's report for conformity with professional reporting standards. laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. GSA reported expenditures of \$906,518 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and one instance of material noncompliance, a repeat finding from the prior period and therefore not included as a recommendation again.

Accordingly, we are not making any recommendations.

During our desk review, we noted one area for improvement which the audit firm should address in future audit reports. We presented this area in a memo to the controller, dated November 20, 2024.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
