MEMORANDUM

DATE: November 5, 2024

TO: USAID/Democratic Republic of the Congo, Mission Director, John Dunlop

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by SANRU ASBL in the Democratic Republic of the Congo Under Cooperative Agreement 72066020CA00003, October 1, 2022, to December 31, 2023 (Report No. 4-660-25-013-R)

This memorandum transmits the final audit report on USAID resources managed by SANRU ASBL under the TBLON SASA IVI DRC Elimination of Tuberculosis Project. SANRU ASBL contracted with the independent audit firm COFIMA, Cotonou, Benin to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on SANRU ASBL's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate SANRU ASBL's internal controls; (3) determine whether SANRU ASBL complied with award terms and applicable laws and regulations; and (4) review the implementation status of the prior period recommendations.

To answer the audit objectives, COFIMA (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by SANRU ASBL as incurred from October 1, 2022, to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to SANRU ASBL's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; and (4) reviewed the

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

implementation status of the prior period recommendations. SANRU ASBL reported expenditures of \$4,936,027 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited except for \$102,128 in ineligible questioned costs. The audit firm identified no material weaknesses in internal control; and one instance of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Democratic Republic of the Congo determine if the recipient addressed the issues noted.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated November 5, 2024.

To address the issues identified in the report, we recommend that USAID/Democratic Republic of the Congo:

Recommendation 1. Determine the allowability of \$102,128 in ineligible questioned costs on pages 18 and 21 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that SANRU ASBL corrects the one instance of material noncompliance detailed on page 34 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
