MEMORANDUM

DATE: November 26, 2024

TO: USAID/West Africa, Regional Mission Director, Jo Lesser-Oltheten

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by SIA N'SON NGO in Benin Under Cooperative Agreement 72068020CA00002, January 1 to December 31, 2023 (Report No. 4-680-25-031-R)

This memorandum transmits the financial audit report on USAID resources managed by SIA N'SON NGO (SIA N'SON) for the project entitled "Reinforcement of the Community Package of High Impact Intervention in Djougou, Copargo, Ouake, and Bassila Health Zones" (R-PIHI-Com). SIA N'SON contracted with the independent audit firm Deloitte, Cotonou, Benin to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on SIA N'SON's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate SIA N'SON's internal controls; (3) determine whether SIA N'SON complied with award terms and applicable laws and regulations; (4) review the indirect cost rates; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Deloitte (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by SIA N'SON as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the

adequacy of the accounting systems, and control procedures that pertain to SIA N'SON's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. SIA N'SON reported expenditures of \$1,110,752 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.
