MEMORANDUM

DATE: November 21, 2024

TO: USAID/Tanzania, Mission Director, Craig Hart

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by T-MARC Tanzania Under Multiple Awards, January 1 to December 31, 2023 (Report No. 4-621-25-028-R)

This memorandum transmits the final audit report on USAID resources managed by T-MARC Tanzania under the following awards:

Award Name (Type)	Award Number	Audit Period	Prime Implementer
Social Enterprise Support Activity (USESAs) (cooperative agreement)	AID-621-A-17-00001	Jan. 1 – Dec. 31, 2023	
Kijana Nahodha Project (cooperative agreement)	72062122CA00009	Jan. 1 – Dec. 31, 2023	
USAID Afya Yangu Southern Project (subaward)	202201-AFTZA-CO-00013	Jan. – Dec. 31, 2023	Deloitte Consulting

T-MARC contracted with the independent audit firm Kepler Consultant, Dar es Salaam, Tanzania to conduct the audit. The audit firm stated that it performed its audit in accordance with international standards on audit in conjunction with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on T-MARC's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate T-MARC's internal controls; (3) determine whether T-MARC complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

implementation status of the prior period recommendations.

To answer the audit objectives, Kepler Consultant (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by T-MARC as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to T-MARC's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. T-MARC reported expenditures of \$8,383,625 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and one instance of material noncompliance (a repeat instance from the prior period and not included as a recommendation again). In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Tanzania determine if the recipient addressed the issues noted.

Accordingly, we are not making any recommendations.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated November 21, 2024.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
