### MEMORANDUM

**DATE:** January 30, 2025

**TO:** USAID/Nigeria, Mission Director, Melissa A. Jones

**FROM:** USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by Georgetown Global Health Nigeria Under Cooperative Agreement 72062022CA00005, January 1 to December 31, 2023 (Report No. 4-620-25-055-R)

This memorandum transmits the final audit report on USAID resources managed by Georgetown Global Health Nigeria (GGHN) under the Accelerating Control of the HIV Epidemic Award. GGHN contracted with the independent audit firm Olufemi Adeniji & Co., Abuja, Nigeria to conduct the audit. The audit firm stated that it performed its audit in accordance with U.S. Government Auditing Standards. However, it did not have an external peer review or continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on GGHN's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate GGHN's internal controls; (3) determine whether GGHN complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Olufemi Adeniji & Co. <sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. adequacy of the account systems, and control procedures that pertain to GGHN's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determine which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of prior period recommendations. GGHN reported expenditures of \$7,973,851 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs, no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated January 30, 2025.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.<sup>2</sup>
