U.S. Agency for International Development

MEMORANDUM

DATE: January 30, 2025

TO: USAID/Ghana, Mission Director, Kimberly Rosen

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Closeout Audit of USAID Resources Managed by Total Family Health Organisation in Ghana Under Cooperative Agreement 72064120CA00002, January 1, 2023, to June 30, 2024 (Report No. 4-641-25-050-R)

This memorandum transmits the final closeout audit report on USAID resources managed by Total Family Health Organisation (TFHO) under the Health Marketing activity in Ghana. TFHO contracted with the independent audit firm Deloitte & Touche, Accra, Ghana, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review that fully satisfies the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on TFHO's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate TFHO's internal controls; (3) determine whether THFO complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Deloitte & Touche (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by TFHO as incurred from January 1, 2023, to June 30, 2024; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to TFHO's ability to report financial data consistent with the assertions embodied in each account of the schedule of

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. TFHO reported expenditures of \$2,907,122 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm identified immaterial instances of non-compliance that were reported in section 6.1 of the audit report.

Accordingly, we are not making any recommendations.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) (“commercial or financial information obtained from a person that is privileged or confidential”). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
