MEMORANDUM

DATE: January 30, 2025

TO: USAID/Kenya and East Africa, Mission Director, David Gosney

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Ananda Marga Universal Relief Team in Kenya Under Multiple Awards, January 1 to December 31, 2023 (Report No. 4-615-25-052-R)

This memorandum transmits the final audit report on USAID resources managed by Ananda Marga Universal Relief Team (AMURT) under: 1) USAID Tujitegemee cooperative agreement 72061521CA00005; and 2) USAID Fahari ya Jamii Project, subaward 72061521CA00014 under University of Nairobi (UON). AMURT contracted with the independent audit firm PricewaterhouseCoopers LLP, Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on AMURT's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate AMURT's internal controls; (3) determine whether AMURT complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PricewaterhouseCoopers (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by AMURT as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to AMURT's ability to report financial data consistent with the assertions embodied in

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. AMURT reported expenditures of \$4,906,632 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$63,733 in total questioned costs (\$63,716 ineligible; \$17 unsupported); no material weaknesses in internal control; and five instances of material noncompliance (two repeat findings from the prior period). In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Kenya and East Africa determine if the recipient addressed the issues noted. The audit firm also included an immaterial finding in appendix 5 of the audit report.

To address the issues identified in the report, we recommend that USAID/Kenya and East Africa:

Recommendation 1. Determine the allowability of \$63,733 in questioned costs (\$63,716 ineligible, \$17 unsupported) on pages 24, and 33 of the audit report and recover any amount that is unallowable.

Recommendation 2. Verify that Ananda Marga Universal Relief Team corrects the three instances of material noncompliance detailed on pages 51 to 56 of the audit report.

We ask that you provide your written notification of actions planned or taken to reach management decision.
