MEMORANDUM

DATE: February 4, 2025

TO: USAID/West Africa, Regional Mission Director, Jo Lesser-Oltheten

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Care and Health Program in Cameroon Under Cooperative Agreement 72062422CA00005, January 1 to December 31, 2023 (Report No. 4-624-25-058-R)

This memorandum transmits the final audit report on USAID resources managed by Care and Health Program (CHP) under the Community HIV/AIDS Investments for Longer and Healthier Lives (CHILL) activity. CHP contracted with the independent audit firm Mazars, Douala, Cameroon to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS), with the International Standards on Auditing (ISA), and with generally accepted auditing standards (GAAS). However, it did not have an external peer review that fully satisfies the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CHP's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CHP's internal controls; (3) determine whether CHP complied with award terms and applicable laws and regulations; and (4) review the indirect cost rate.

To answer the audit objectives, Mazars (1) audited the schedule of expenditures of USAID awards including budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CHP as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the account systems, and control procedures that pertain to CHP's ability to report financial

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determine which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; and (4) reviewed the indirect cost rate. CHP reported expenditures of \$4,623,835 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$19,303 in unsupported questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation. Nevertheless, we suggest that the USAID/West Africa determine the allowability of the \$19,303 in questioned costs and recover any amount determined to be unallowable.

Accordingly, we are not making any recommendations.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
