MEMORANDUM

DATE: March 20, 2025

TO: USAID/Uganda, Mission Director, Daniele Nyirandutiye

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Transcultural Psychosocial Organization in Uganda Under Multiple Awards, January 1 to December 31, 2023 (Report No. 4-617-25-074-R)

This memorandum transmits the final audit report on USAID resources managed by Transcultural Psychosocial Organization (TPO) for the following awards:

Award Name (Type)	Award Number	Audit Period	Prime Implementer
Keeping Children Healthy and Safe (cooperative agreement)	72061720CA00018	Jan. 1 – Dec. 31, 2023	
Health Evaluation, Research and Development (subaward) – closeout	FY20-A05-6024 under AID-OAA-17-00002	Jan. 1 – Nov. 30, 2023	University Research Co LLC

TPO contracted with the independent audit firm PKF, Kampala, Uganda to conduct the audit. The audit firm stated that it performed its audit in accordance with U.S. Government Auditing Standards and generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on TPO's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate TPO's internal controls; (3) determine whether TPO complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the

implementation status of the prior period recommendations.

To answer the audit objectives, PKF (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by TPO as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to TPO's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. TPO reported expenditures of \$5,334,267 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified \$20,108 in ineligible questioned costs; no material weaknesses in internal control; and four instances of material noncompliance. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation. Nevertheless, we suggest that USAID/Uganda determine the allowability of the \$20,108 in ineligible questioned costs and recover any amount determined to be unallowable. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Uganda determine if the recipient addressed the issues noted.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated March 20, 2025.

To address the issues identified in the report, we recommend that USAID/Uganda:

Recommendation 1. Verify that Transcultural Psychosocial Organization corrects the four instances of material noncompliance detailed on pages 40 to 45 of the audit report.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
