MEMORANDUM

DATE: February 28, 2025

TO: USAID/Pakistan, Mission Director, Kate Somvongsiri

FROM: Asia Regional Office, Audit Assistant Director, Rhonda M. Horried /s/

SUBJECT: Financial Audit of the Project Management & Engineering Services for FATA Infrastructure Program in Pakistan Managed by Planning and Development Department, Government of Khyber Pakhtunkhwa, Grant 135, PIL 391-013-32, Fiscal Year Ending June 30, 2023(5-391-25-020-R)

This memorandum transmits the final audit report on the Project Management & Engineering Services for FATA Infrastructure Program in Pakistan, managed by the Planning and Development Department, Government of Khyber Pakhtunkhwa, Grant number 135, PIL number 391-013-32, for the fiscal year ending June 30, 2023. The Auditor General of Pakistan (Auditor General) conducted this audit. The Auditor General stated it performed the audit in accordance with the International Standard of Supreme Audit Institutions. The Auditor General is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the awardee's schedule of expenditures of USAID awards;¹ the effectiveness of its internal control; or its compliance with the award, laws, and regulations.²

The audit objectives were to: (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited was presented fairly, in all material respects; (2) evaluate the recipient's internal controls related to the project; and (3) determine whether the recipient complied with award terms and applicable laws and regulations. To answer the audit objectives, the Auditor General conducted a financial audit that covered costs of \$945,707 for the audited period.

The Auditor General concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, project revenues and costs incurred under the award during the period audited. The Auditor General did not identify any questioned costs, material weaknesses in internal control, or material instances of noncompliance.

¹ The Auditor General referred to the schedule of expenditures as a fund accountability statement.

² We reviewed the Auditor General's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify items that need clarification or issues that require management attention. Desk reviews are limited to review of the audit report itself and exclude review of the auditor's supporting workpapers; they are not designed to enable us to directly evaluate the quality of the audit performed.

In its management letter, the Auditor General identified four audit findings, three of which involve monetary effects totaling \$382,115 (\$330,782 ineligible and \$51,333 unsupported), which should be identified as questioned cost in the schedule of expenditures of USAID awards. Accordingly, we are making a recommendation for USAID/Pakistan to determine the allowability of and recover, as appropriate, these questioned costs. The details of the findings and the associated questioned costs are disclosed in the table below.

Table 1. Summary of Questioned Costs

	Finding Description	Ineligible Costs		Unsupported Costs		Reference Finding & Page Nos.	
		Rs ³	\$	Rs	\$		
1	Loss incurred due to failure to deduct income tax on service payment	17,022,730	94,571	-	-	4.1.2	17-18

TOTAL		59,540,798	330,782	9,240,000	51,333		

To address the issues identified in the report, we recommend that USAID/Pakistan:

Recommendation 1. Determine the allowability of \$382,115 in questioned costs (\$330,782 ineligible and \$51,333 unsupported), as detailed on pages 17 to 19 of the audit report and recover any amount that is unallowable.

We ask that you provide written notification of actions planned or taken to reach a management decision.
