MEMORANDUM

DATE: March 13, 2025

TO: USAID/Jordan, Mission Director, Leslie Reed

FROM: Middle East and Eastern Europe Regional Office, Audit Director, Louis Duncan Jr./s/

SUBJECT: Audit of the Schedule of Expenditures of Sajdi Consulting Engineering Center Under Contract AID-72027821-C-00003, Water Engineering Services Project in Jordan, January 1 to December 31, 2023 (8-278-25-012-R)

This memorandum transmits the final audit report of the schedule of Sajdi Consulting Engineering Center under contract AID-72027821-C-00003, Water Engineering Services project in Jordan, from January 1 to December 31, 2023. Sajdi Consulting Engineering Center contracted with the independent audit firm Nobani and Marouf to conduct the audit. The audit firm stated it performed its audit in accordance with U.S. Generally Accepted Government Auditing Standards. However, it did not have an external quality control review program or a continuing professional education program that fully satisfies the standards' requirements. The audit firm explained that professional organizations in Jordan do not require such a quality control review program. With respect to the continuing professional education program, the audit firm said that they don't have a continuing education program that fully complies with the GAGAS required training hours. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the auditee's schedule of expenditures of USAID award; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to: (1) express an opinion on whether the schedule of expenditures of the USAID award for the period audited, was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee complied with the award's terms and applicable laws and regulations.

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

To answer the audit objectives, the audit firm performed the subject financial audit that covered \$1,681,565, from January 1 to December 31, 2023.

The audit firm concluded that the schedule of expenditures of the USAID award presented fairly, in all material respects, program revenues, costs incurred and reimbursed, and commodities and technical assistance directly procured by USAID for the audited period. The audit firm did not identify questioned costs. The auditor did not identify any material weaknesses in internal control or any material instance of noncompliance with the award terms, or applicable rules and regulations. During our desk review, we noted areas for improvement which the audit firm should address in future audit reports. We presented these areas of improvement in a memo to the Controller, dated March 13, 2025.

The report does not include any recommendations for your action.
