This memorandum transmits the final audit report on the locally incurred costs schedule of expenditures of International Research and Exchanges Board, Forsah Technical and Vocational Education Training activity in West Bank and Gaza, Cooperative Agreement 72029422CA00008, from September 28, 2022, to December 31, 2023. USAID/West Bank and Gaza contracted with the independent audit firm Mazars to conduct the audit. The audit firm stated it performed its audit in accordance with U.S. Generally Accepted Government Auditing Standards. However, it did not have an external quality control review, as professional organizations in West Bank and Gaza do not offer such a program. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the auditee's schedule of expenditures; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to: (1) express an opinion on whether the schedule of expenditures for the period audited was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee complied with the agreement's terms and applicable laws and regulations including compliance with Executive Order 13224 - Blocking Property and Prohibiting Transactions with Persons Who Commit,

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

Threaten to Commit, or Support Terrorism. To answer the audit objectives, the audit firm performed the subject financial audit that covered \$1,853,682 for the period from September 28, 2022, to December 31, 2023.

The audit firm did not identify any material internal control weaknesses or any material instances of noncompliance with the award terms, conditions and applicable laws and regulations. The audit firm did not identify any material instances of noncompliance with Executive Order 13224.
