

OFFICE OF INSPECTOR GENERAL U.S. Agency for International Development

MEMORANDUM

DATE: April 16, 2025

TO: USAID/Peru, Mission Director, Amy Paro

FROM: Latin America and Caribbean (LAC) Regional Office, Audit Director, Hannah Maloney /s/

SUBJECT: Financial Audit of the Greater Transparency and Best Practices in the Extractive Sector Activity in Peru, Managed by Centro Ecuménico de Promoción y Acción Social Norte, Cooperative Agreement 72052721CA00007, September 1, 2021, to December 31, 2023 (I-527-25-018-R)

This memorandum transmits the final audit report on the Greater Transparency and Best Practices in the Extractive Sector Activity in Peru. Centro Ecuménico de Promoción y Acción Social Norte (CEDEPAS NORTE) contracted with the independent audit firm Ramírez Enríquez y Asociados to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CEDEPAS NORTE's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CEDEPAS NORTE's internal controls; and (3) determine whether CEDEPAS NORTE complied with award terms and applicable laws and regulations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; assessed and tested compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$1,233,459 of USAID expenditures for the audited period.

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. The audit firm issued a management letter which included two minor internal control deficiencies.

During our desk review, we noted one area for improvement which the audit firm should address in future audit reports. We presented this area in a memo to the controller, dated April 16, 2025.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Peru.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
