MEMORANDUM

DATE: April 16, 2025

TO: USAID/Mozambique, Mission Director, Helen Pataki

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Centro Internacional de Saúde Reprodutiva em Moçambique Under Cooperative Agreement 72065622CA00012, January 1 to December 31, 2023 (Report No. 4-656-25-089-R)

This memorandum transmits the final audit report on USAID resources managed by Centro Internacional de Saúde Reprodutiva em Moçambique (ICRH-M) under USAID's HIV Key and Priority Populations (KPP) Local Activity program in Mozambique. ICRH-M contracted with the independent audit firm KPMG, Maputo, Mozambique to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review or a continuing education program that fully satisfies the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on ICRH-M's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate ICRH-M's internal controls; (3) determine whether ICRH-M complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, KPMG (1) audited the schedule of expenditures of USAID awards including budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by ICRH-M as incurred from January 1 to December 31, 2023; (2) evaluated the control environment, the

adequacy of the account systems, and control procedures that pertain to ICRH-M's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determine which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) determined that the review of the implementation status of the prior period recommendations was not applicable. ICRH-M reported expenditures of \$5,884,286 in USAID funds during the audited period.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm issued a management letter.

Accordingly, we are not making any recommendations.
