### MEMORANDUM

**DATE:** April 23, 2025

**TO:** USAID/Philippines Mission Director, Ryan Washburn

**FROM:** Asia Regional Office, Audit Assistant Director, Rhonda M. Horried/s/

**SUBJECT:** Financial Audit of Advanced Manufacturing Workforce Development Alliance, Managed by Unilab Foundation, Inc. in the Philippines, Cooperative Agreement 72049222CA00002, August 1, 2022, to December 31, 2023 (5-492-25-028-R)

This memorandum transmits the final audit report on Advance Manufacturing Workforce Development Alliance project managed by Unilab Foundation, Inc. (ULF) in the Philippines under cooperative agreement 72049222CA00002, from August 1, 2022, to December 31, 2023. ULF contracted with the independent audit firm, Diaz Murillo Dalupan and Company to conduct the audit. The audit firm stated it performed its audit in accordance with International Standards on Auditing in conjunction with generally accepted government auditing standards (GAGAS). However, the audit firm disclosed that it did not have continuing professional education and external peer review programs that fully satisfy GAGAS requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the recipient's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were mainly to (1) express an opinion on whether ULF's schedule of expenditures of USAID awards for the audited period were presented fairly, in all material respects; (2) evaluate ULF's internal controls related to the USAID-funded project; and (3) determine whether ULF complied with the award terms and applicable laws and regulations. To answer the audit objectives, the audit firm conducted a financial audit that covered costs of \$733,802 for the audited period.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, project revenues and costs incurred under the agreement for the period audited except for \$12,716 ineligible questioned costs. The audit firm did not identify any material internal

control weakness but identified one instance of material noncompliance. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation. Nevertheless, we suggest that USAID/Philippines determine the allowability of the \$12,716 in questioned costs and recover any amount determined to be unallowable. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Philippines determine if the recipient addressed the issues noted. The audit firm issued a management letter that had no material issues that required a recommendation.

The report does not include any recommendations for your action.
