SUBJECT: Single Audit of Management Sciences for Health, Inc., for the Year Ended June 30, 2023 (3-000-25-043-T)

This memorandum transmits the final audit report on the single audit of Management Sciences for Health, Inc., (MSH) for the Year Ended June 30, 2023. The audit report was obtained from the Federal Audit Clearinghouse. MSH contracted with the independent audit firm Grant Thornton LLP (Grant Thornton) to conduct the audit. Grant Thornton stated it performed its audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the comptroller General of the United States. Grant Thornton is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on MSH's schedule of expenditures of federal awards; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.¹

Grant Thornton's audit objectives were to: (1) obtain reasonable assurance about whether MSH's combined financial statements are free from material misstatement, whether due to fraud or error; (2) obtain reasonable assurance about whether material noncompliance with the compliance requirements for each of its major federal programs based on the types of compliance requirements described in the Office of Management and Budget Compliance Supplement that could have a direct and material effect on each of MSH's major Federal

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

programs for the year ended June 30, 2023; and (3) express an opinion on MSH's compliance. To answer the audit objectives, Grant Thornton: (1) identified and assessed the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks; (2) obtained an understanding of internal control relevant to the audit; and (3) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by MSH and evaluated the overall presentation of the consolidated financial statements. MSH's audited expenditures of Federal awards was \$147,278,117, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$146,231,637.

Grant Thornton expressed an unmodified opinion on the financial statements and on internal control over the major Federal programs. Further, Grant Thornton reported that it did not find any material weaknesses or significant deficiencies in internal control over financial reporting and in internal control over major programs. Grant Thornton did not identify any deficiency in compliance that it considered a significant deficiency required to be reported according to 2 CFR 200.516(a).

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
