DATE: May 14, 2025

TO: USAID/Philippines and Mongolia Mission Director, Ryan Washburn

FROM: Asia Regional Office, Audit Assistant Director, Rhonda M. Horried /s/

SUBJECT: Closeout Audit of Business Excellence for Sustainability and Transparency Project in Mongolia, Managed by Development Solutions NGO, Cooperative Agreement 72043820CA00001, January 1 to December 1, 2024 (5-438-25-034-R)

This memorandum transmits the final closeout audit report on Business Excellence for Sustainability and Transparency project in Mongolia, managed by Development Solutions NGO under cooperative agreement 72043820CA00001, from January 1 to December 31, 2024. Development Solutions NGO contracted with the independent audit firm, Baker Tilly Dalaivan Audit LLC to conduct the audit. The audit firm stated it performed its audit in accordance with generally accepted government auditing standards (GAGAS). The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the recipient's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to (1) express an opinion on whether Development Solutions NGO's schedule of expenditures of USAID awards for the period audited was presented fairly, in all material respects; (2) evaluate Development Solutions NGO's internal controls related to the USAID-funded project; and (3) determine whether Development Solutions NGO complied with the award terms and applicable laws and regulations. To answer the audit objectives, the audit firm conducted a financial audit that covered costs of \$3,415,085 for the audited period.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, project revenues and costs incurred under the agreement for the period audited. The audit firm did not identify any questioned costs, any material weaknesses in internal control, or any material instances of noncompliance.

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify items that need clarification or issues that require management attention. Desk reviews are limited to review of the audit report itself and exclude review of the auditor's supporting workpapers; they are not designed to enable us to directly evaluate the quality of the audit performed.

The report does not include any recommendations for your action.
