MEMORANDUM

DATE: June 5, 2025

TO: USAID/Colombia, Mission Director, Anupama Rajaraman

FROM: Latin America and Caribbean (LAC) Regional Office, Audit Director, Hannah Maloney /s/

SUBJECT: Closeout Financial Audit of the Avancemos Bajo Cauca Program in Colombia Managed by Corporación Interactuar Cooperative Agreement 72051419CA00007, January 01, 2023, to March 31, 2024 (I-514-25-026-R)

This memorandum transmits the final audit report on the Avancemos Bajo Cauca Program in Colombia. Corporación Interactuar contracted with the independent audit firm Amézquita & Cía. S.A.S. to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Corporación Interactuar's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate Corporación Interactuar's internal controls; (3) determine whether Corporación Interactuar complied with award terms and applicable laws and regulations; and (4) determine if Corporación Interactuar has taken adequate corrective action on prior audit recommendations. To answer the audit objectives, the audit firm reported that they assessed and tested the internal controls related to the project; assessed and tested compliance with applicable laws, regulations, the agreement's provisions; and reviewed project expenditures. The audit covered \$753,052 of USAID expenditures for the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. However, the audit firm identified ineligible questioned costs in the schedule of expenditures of USAID awards for a total of \$4,398. The audit firm confirmed that the

recipient resolved these questioned costs, which are also below our \$25,000 threshold for questioned cost recommendations. Therefore, we are not making a recommendation.

The audit firm did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms.

The audit firm determined that the recipient has taken adequate corrective actions on prior audit report recommendations.

The audit firm did not include a list of the project's non-expendable items in a note to the schedule of expenditures of USAID awards as required. Additionally, the report did not include the final disposition of the assets required as part of the closeout process. We are not making a formal recommendation on this issue, but we suggest that the Agreement Officer review this issue as part of the closeout process.

During our desk review, we noted several areas for improvement which the audit firm should address in future audit reports. We presented these areas in a memo to the controller, dated June 5, 2025.

Based on the results of the desk review, OIG is not making any recommendation to USAID/Colombia.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
