This memorandum transmits the final audit report on the single audit of The Carter Center, Inc. (the Center), for the years ended August 31, 2022. The audit report was obtained from the Federal Audit Clearinghouse. The Center contracted with the independent audit firm KPMG LLP (KPMG) to conduct the audit. KPMG stated that it performed its audit in accordance with U.S. Government auditing standards issued by the Comptroller General of the United States and in accordance with Title 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. KPMG is responsible for the enclosed report and the conclusions expressed in it. appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control; and (3) evaluated the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements. The Center's audited expenditures of Federal awards were \$8,687,573, of which the U.S. Agency for International Development's (USAID) audited expenditures amounted to \$7,219,353.

KPMG expressed an unmodified opinion on the financial statements and on compliance for major programs. Further, KPMG reported that it did not find any material weaknesses or significant deficiencies in internal control over financial reporting and in internal control over major programs.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.²
