### MEMORANDUM

**DATE:** June 12, 2025

**TO:** USAID/Kenya and East Africa, Acting Mission Director, Sheila Roquitte

**FROM:** USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

**SUBJECT:** Financial Closeout Audit of USAID Resources Managed by Kenya Medical Supplies Authority Under Contract AID-615-C-15-00003, July 1, 2020, to May 23, 2021 (Report No. 4-615-25-006-N)

This memorandum transmits the final audit report on USAID resources managed by Kenya Medical Supplies Authority (KEMSA) under KEMSA Medical Commodities Program. USAID/Kenya and East Africa contracted with the independent audit firm PricewaterhouseCoopers (PwC), Nairobi, Kenya to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on KEMSA's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate KEMSA's internal controls; (3) determine whether KEMSA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, PwC (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by KEMSA as incurred from July 1, 2020, to May 23, 2021; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to KEMSA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. KEMSA reported expenditures of \$44,716,281 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The auditors reported no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The auditors reported that USAID/Kenya and East Africa made direct payments of \$1,730,079 based on deceitful payment request from a fictitious email domain. The audit firm issued a management letter.

Accordingly, we make no recommendations.
