DATE: May 29, 2025

TO: USAID/Sri Lanka Mission Director, Gabriel Grau

FROM: Asia Regional Office, Audit Assistant Director, Rhonda M. Horried /s/

SUBJECT: Financial Audit of Multiple USAID Awards Managed by Transparency Maldives, January 1 to December 31, 2023 (5-383-25-044-R)

This memorandum transmits the final audit report of Transparency Maldives (TM) under the following USAID awards:

Award Name (Type)	Award Number	Audit Period
Promoting Resilience in Maldives (Cooperative agreement)	720-383-20-CA-00001	January 1 to December 31, 2023
Strong and Inclusive Maldivian Democracy (Sub-award)	S-21-044	January 1 to December 31, 2023
Enhancing the Practice of Business Integrity (Grant)	0121209-000-0A	January 1 to December 31, 2023
Maldives Presidential Elections 2023 (Sub-award)	23-20544-MAL.0-2614	January 1 to December 31, 2023

TM contracted with the independent audit firm, Ernst & Young Chartered Accountants Maldives to conduct the audit. The audit firm stated it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, the audit firm disclosed that it did not have continuing professional education and external peer review programs that fully satisfy GAGAS requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the recipient's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were mainly to (1) express an opinion on whether TM's schedule of expenditures of USAID awards for the audited period was presented fairly, in all material respects;

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify items that need clarification or issues that require management attention. Desk reviews are limited to review of the audit report itself and exclude review of the auditor's supporting workpapers; they are not designed to enable us to directly evaluate the quality of the audit performed.

(2) evaluate TM's internal controls related to the USAID-funded project; and (3) determine whether TM complied with the award terms and applicable laws and regulations. To answer the audit objectives, the audit firm conducted a financial audit that covered costs of \$877,325 for the audited period.

The audit firm concluded that the schedule of expenditures of USAID awards presented fairly, in all material respects, project revenues and costs incurred under the agreement for the period audited. The audit firm did not identify any questioned costs, material internal control weakness, or any instance of material noncompliance. The audit firm issued a management letter that had no material issues that required a recommendation.

The report does not include any recommendations for your action.
