MEMORANDUM

DATE: June 22, 2025

TO: USAID/West Bank and Gaza, Mission Director, Amy Tohill-Stull

FROM: Middle East and Eastern Europe Regional Office, Audit Director, Louis Duncan, Jr./s/

SUBJECT: Audit of the Schedule of Expenditures of Appleseeds Tapuach-Association for Advancement of the Information Age, Techseeds for Peace Program in West Bank and Gaza, Cooperative Agreement 72029422CA00005, July 12, 2022, to December 31, 2023 (8-294-25-015-N)

This memorandum transmits the final audit report on the schedule of expenditures of Appleseeds Tapuach-Association for Advancement of the Information Age, Techseeds for Peace program in West Bank and Gaza, Cooperative Agreement 72029422CA00005, from July 12, 2022, to December 31, 2023. USAID/West Bank and Gaza contracted with the independent audit firm Mazars to conduct the audit. The audit firm stated that it performed its audit in accordance with U.S. generally accepted government auditing standards. However, it did not have an external quality control review program that fully satisfy the standards' requirements. The audit firm explained that professional organizations in West Bank and Gaza do not offer such a quality control review program. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the auditee's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures for the period audited, was presented fairly, in all material respects; (2) evaluate the auditee's internal controls; and (3) determine whether the auditee complied with award terms and applicable laws and regulations, including compliance with Executive Order 13224-Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or

Support Terrorism. To answer the audit objectives, the audit firm performed the subject financial audit that covered \$1,870,054, from July 12, 2022, to December 31, 2023.

The audit firm concluded that except for the effect of the questioned costs, the schedule of expenditures presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified ineligible questioned costs of \$18,861. The audit firm did not identify any material weaknesses in internal controls. However, the audit firm identified one instance of material noncompliance with applicable rules and regulations. The audit firm stated that the agreement is not subject to Mission Order 21 and Executive Order No. 13224, as the program falls outside the scope of the mandatory provisions underlying Mission Order 21. Since the questioned costs did not meet the OIG's established threshold of \$25,000 for making a recommendation, we are not making a recommendation. Nevertheless, we suggest that USAID/West Bank and Gaza determine the allowability of the \$18,861 in questioned costs and recover any amount determined to be unallowable. In addition, although we are not making a recommendation for the significant deficiency in internal control noted in the report, we suggest that USAID/West Bank and Gaza determine if the recipient addressed the issue noted. The audit firm issued a management letter.

During our desk review, we noted an area for improvement which the audit firm will need to address in future audit reports. We presented this deficiency in a memo to the controller dated June 22, 2025.

To address the issues identified in the report, we recommend that USAID/West Bank and Gaza

Recommendation 1. Verify that Appleseeds Tapuach Association for Advancement of the Information Age corrects the one instance of material noncompliance detailed on pages 24-26 of the audit report.
