### MEMORANDUM

**DATE:** August 12, 2025

**TO:** USAID, Deputy Administrator for Management and Resources, Kenneth Jackson  
USAID, Acting Chief Financial Officer, Douglas A. Pitkin

**FROM:** USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

**SUBJECT:** Financial Audit of USAID Resources Managed by Deloitte Conseil in Morocco Under Cooperative Agreement 72060822CA00001, June 1, 2023, to May 31, 2024 (Report No. 4-608-25-127-R)

This memorandum transmits the final audit report on USAID resources managed by Deloitte Conseil under Inclusive Socio-Economic Development in Marrakech-Safi (ISED-MS) activity. Deloitte Conseil contracted with the independent audit firm BDO, Casablanca, Morocco, to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards. However, it did not have an external peer review and a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Deloitte Conseil's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate Deloitte Conseil's internal controls; (3) determine whether Deloitte Conseil complied with award terms and applicable laws and regulations; (4) review the indirect cost rate, or determine that the review of the indirect cost rate was not applicable; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, BDO (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Deloitte Conseil as incurred from June 1, 2023, to May 31, 2024; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to Deloitte Conseil's

ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined that the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. Deloitte Conseil reported expenditures of \$3,505,079 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the award for the period audited. The audit firm identified no questioned costs, no material weakness in internal controls and no instance of material noncompliance. In addition, although we are not making a recommendation for significant deficiencies noted in the report, we suggest that USAID/Morocco determine if Deloitte Conseil addressed the issues noted.

Accordingly, we are not making any recommendations.
