MEMORANDUM

DATE: November 19, 2025

TO: USAID, Deputy Administrator for Management and Resources, Kenneth Jackson
USAID, Acting Chief Financial Officer, Douglas A. Pitkin

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Closeout Audit of USAID Resources Managed by Amref Health Africa in Tanzania Under Cooperative Agreement 72062120CA00007, January 1, 2024, to June 30, 2025 (Report No. 4-621-26-003-R)

This memorandum transmits the final audit report on USAID resources managed by Amref Health Africa in Tanzania (Amref Tanzania) for the Afya Shirikishi activity. Amref Tanzania contracted with the independent audit firm Ernst & Young, Dar es Salaam, Tanzania to conduct the audit. The audit firm stated that it performed its audit in accordance with generally accepted government auditing standards (GAGAS). However, it did not have an external peer review and a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on Amref Tanzania's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate Amref Tanzania's internal controls; (3) determine whether Amref Tanzania complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Ernst & Young (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by Amref Tanzania as incurred from January 1, 2024, to June 30, 2025; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

Amref Tanzania's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined the review of the indirect cost rate was not applicable; and (5) reviewed the implementation status of the prior period recommendations. Amref Tanzania reported expenditures of \$4,401,390 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the awards for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also noted that the excess cash balance of \$97,349 after all has been settled will be refunded to USAID upon receiving their guidance.

Accordingly, we are not making any recommendations.
