**SUBJECT:** Financial Audit of Oxfam GB Under Multiple USAID Agreements for the Year Ended March 31, 2024 (3-000-26-012-R)

This memorandum transmits the final audit report on the recipient contracted audit of Oxfam GB (OxfamGB) for the fiscal year ended March 31, 2024. OxfamGB contracted with the independent certified public accounting firm GRF CPAs & Advisors to conduct the audit. The audit firm stated that it performed its audit in accordance with the U.S. Agency for International Development's (USAID) Financial Audit Guide for Foreign Organizations, and U.S. Generally Accepted Government Auditing Standards, issued by the Comptroller General of the United States Government Accountability Office. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on OxfamGB's schedule of expenditures of USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID for the period audited, was presented fairly, in all material respects; (2) evaluate and obtain a sufficient understanding of OxfamGB's internal controls; (3) determine whether OxfamGB complied with award terms and applicable laws and regulations; and (4) perform an audit of the indirect cost rate if the recipient has been authorized to charge indirect costs to USAID awards using provisional rates. To answer the audit objectives, the audit firm (1) reviewed direct and indirect costs billed to and reimbursed by USAID and pass-through entities and costs incurred but pending reimbursement, and identified and quantified any questioned

costs; reviewed general and program ledgers to determine whether costs incurred were properly recorded, and reconciled direct costs billed to and reimbursed by USAID and pass-through entities to program and general ledgers, and revised the procedures used to control the funds; (2) reviewed and evaluated OxfamGB's internal controls related to USAID programs to obtain a sufficient understanding of the design of relevant control policies and procedures and whether those policies and procedures were in operation: assessed inherent risk, control risk, and determined the detection risk, and summarized the risk assessment, and evaluated the control environment, the adequacy of the accounting systems, and control procedures; (3) identified the agreement terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards, and assessed the inherent and control risk that material noncompliance could occur for each of the compliance requirements, and determined the nature, timing and extent of audit steps and procedures to test for errors, fraud, and illegal acts that provide reasonable assurance of detecting both intentional and unintentional instances of noncompliance with agreement terms and applicable laws and regulations that could have a material effect on the schedule of expenditures of USAID awards, and determined if payments were made according to agreement terms and applicable laws and regulations; and (4) determined whether the recipient has used provisional rates to charge indirect costs to USAID and pass-through entities. GRF audited \$4,676,568 of expenditures for the year ended March 31, 2024.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, costs incurred and reimbursed by USAID and the pass-through entities for the year ended March 31, 2024, in accordance with the terms of the agreements and in conformity with the basis of accounting. The audit firm did not identify any material weaknesses or significant deficiencies in internal control. In addition, GRF did not disclose any instances of noncompliance that are required to be reported under U.S. Government Auditing Standards and did not question any costs.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.<sup>2</sup>
