SUBJECT: Financial Audit of USAID Resources Managed by Project Hope Namibia-Malawi Cooperative Agreement 72061224CA00003, January 1 to December 31, 2024 (Report No. 4-612-26-014-R)

This memorandum transmits the final audit report on USAID resources managed by Project Hope Namibia-Malawi (PHN-MA) under the Ana ndi Achinyamata Patsogolo (ANAPA) Project, cooperative agreement 72061224CA00003. PHN-MA contracted with the independent audit firm Baker Tilly, Lilongwe, Malawi to conduct the audit. The audit firm stated that it performed its audit in accordance with the U.S. Government Auditing Standards issued by the Comptroller General of the United States (GAGAS) and International Standards on Auditing (ISAs). However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on PHN-MA's schedule of expenditures on USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate PHN-MA's internal controls; (3) determine whether PHN-MA complied with award terms and applicable laws and regulations; (4) review the indirect cost rate; and (5) review the implementation status of the prior period recommendations.

To answer the audit objectives, Baker Tilly (1) audited the schedule of expenditures of USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by PHN-MA as

¹ We reviewed the audit firm's report for conformity with professional reporting standards. incurred from January 1 to December 31, 2024; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to PHN-MA's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; (4) determined the review of the indirect cost rate was not applicable; and (5) determined that the review of the implementation status of the prior period recommendations was not applicable. PHN-MA reported expenditures of \$10,960,722 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the awards for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential").
