SUBJECT: Financial Audit of the MCC Resources Managed by the Millennium Challenge Account – Timor-Leste Under the Compact Agreement Between the MCC and the Government of Timor-Leste, January 30, 2020, to September 30, 2025 (3-MCC-26-003-N)

This memorandum transmits the Financial Audit of the Millennium Challenge Corporation (MCC) resources managed by the Millennium Challenge Account – Timor-Leste (MCA-Timor-Leste) under the Compact Agreement between the MCC and the Government of Timor-Leste, January 30, 2020, to September 30, 2025. MCA-Timor-Leste contracted with the independent certified public accounting firm of Stantons International Audit and Consulting PTY LTD (Stantons) to conduct the audit. Stantons stated that it performed its audit in accordance with U.S. Government Auditing Standards (GAGAS) issued by the Comptroller General of the United States. Stantons stated that it does not have a continuing education program fully satisfying the requirement set forth in GAGAS, and it did not have an external quality control review by an unaffiliated audit organization as required by GAGAS. Stantons is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on MCA-Timor-Leste's fund accountability statement; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the fund accountability statement for the MCC-funded programs for the period audited, was presented fairly, in all material respects; (2) evaluate and obtain a sufficient understanding of the MCA-Timor-Leste's internal controls related to the MCC funded programs; and (3) determine whether MCA-

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

Timor-Leste complied, in all material respects, with the Compact Development Funding Agreement, Compact (including those MCC rules and regulations regarding Program Funding, CFF, and Government Contributions), supplemental agreements, and applicable laws and regulations related to MCC-funded grants, contracts, and implementing agreements. To answer the audit objectives, Stantons: (1) examined the separate fund accountability statement of MCA-Timor-Leste for activities funded with MCC resources; (2) reviewed MCA-Timor-Leste's internal control structure related to program activities to understand the design of relevant control policies and procedures and whether those policies and procedures have been placed in operation; and (3) determined compliance with agreement terms and applicable laws and regulations related to related to MCC activities. Stantons examined costs of \$16,905,684 for the period audited.

Stantons concluded that, the fund accountability statement presents fairly, in all material respects, program revenues, costs incurred and reimbursed and assets for the period then ended in accordance with the terms of the agreements. However, the auditors reported ineligible questioned costs in the amount of \$27,000. Stantons did not identify any material weaknesses in internal control or instances of material noncompliance with applicable laws, regulations, and agreement terms. However, Stantons did identify three significant deficiencies in internal control. Although we are not making a recommendation for significant deficiencies noted in the report, we suggest that MCC determine if the recipient addressed the issues noted.

To address the questioned costs identified in the report, we recommend that MCC:

Recommendation I. Determine the allowability of \$27,000 in ineligible questioned costs on pages 40 and 41 of the audit report and recover any amount that is unallowable.

We ask that you provide your written notification of actions planned or taken to reach a management decision.
