Internews Ukraine contracted with the independent audit firm Emergex Outsourcing LLC to conduct the audit. The audit firm stated it performed its audit in accordance with U.S. Government Auditing Standards. However, it did not have a continuing education program or an external quality control review program that fully satisfied the standards' requirements. The audit firm explained that professional organizations in Ukraine do not offer such a quality control review program. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on the audit firm's schedule of expenditures of awards; the effectiveness of its internal control; or its compliance with the awards, laws, and regulations.<sup>1</sup>

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of U.S. Government (USG) awards for the programs is prepared fairly in all material respects in relation to the organization's financial statements as a whole and in revenues received, costs incurred and assets, commodities, and technical assistance directly procured with USG funding for the period audited, (2) evaluate the auditee's internal controls over financial reporting, and (3) determine whether the auditee complied with award terms and applicable laws and regulations. To answer the audit objectives, the audit firm performed the subject financial audit

<sup>1</sup> We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

that covered total expenditures of \$8,099,231, of which \$7,457,500 was expended under the USAID award for the audited period.

The audit firm concluded that the schedule of expenditures of USG awards presents fairly, in all material respects, the program revenues and costs incurred under the awards for the year ended December 31, 2024. Additionally, the audit firm did not identify any material weaknesses in internal control or any material instances of noncompliance.

The report does not include any recommendations for your action.

OIG does not routinely distribute independent public accounting reports beyond the immediate addressees because a high percentage of these reports contain information restricted from release under the Trade Secrets Act, 18 U.S.C. 1905 and Freedom of Information Act Exemption Four, 5 U.S.C. 552(b)(4) ("commercial or financial information obtained from a person that is privileged or confidential"). In addition, USAID OIG has determined that this transmittal memo and the enclosed report are not subject to notification and reporting requirements under Section 5274 of the National Defense Authorization Act.<sup>2</sup>
