TO: USAID, Performing the Duties of Administrator and Chief Operating Officer, Eric Ueland
USAID, Acting Chief Financial Officer, Douglas A. Pitkin

FROM: USAID OIG Africa Regional Office, Audit Director, Ryan Werner /s/

SUBJECT: Financial Audit of USAID Resources Managed by Center for Clinical Care and Clinical Research in Nigeria Under Multiple Awards, October 1, 2024, to September 30, 2025 (Report No. 4-620-26-024-R)

This memorandum transmits the final audit report on USAID resources managed by Center for Clinical Care and Clinical Research (CCCRN) under awards: (1) Accelerating Control of HIV Epidemics in Nigeria Award (ACE 4), cooperative agreement 72062022CA00006 (October 1, 2024, to September 30, 2025); and (2) Transforming Health and Resilience for Individuals Through Vibrant Empowerment Activity (THRIVE), cooperative agreement 72062025CA00002 (December 9, 2024 to September 30, 2025). CCCRN contracted with the independent audit firm Parker Randall, Lagos, Nigeria to conduct the audit. The audit firm stated that it performed its audit in accordance with the U.S. Government Auditing Standards issued by the Comptroller General of the United States (GAGAS). However, it did not have an external peer review or a continuing professional education program that fully satisfy the standards' requirements. The audit firm is responsible for the enclosed report and the conclusions expressed in it. We do not express an opinion on CCCRN's schedule of expenditures on USAID awards; the effectiveness of its internal control; or its compliance with the award, laws, and regulations.¹

The audit objectives were to (1) express an opinion on whether the schedule of expenditures of USAID awards for the period audited, was presented fairly, in all material respects; (2) evaluate CCCRN's internal controls; (3) determine whether CCCRN complied with award terms and applicable laws and regulations; and (4) review the implementation status of the prior period recommendations.

To answer the audit objectives, Parker Randall (1) audited the schedule of expenditures of

¹ We reviewed the audit firm's report for conformity with professional reporting standards. Our desk reviews are typically performed to identify any items needing clarification or issues requiring management attention. Desk reviews are limited to review of the audit report itself and excludes review of the auditor's supporting working papers; they are not designed to enable us to directly evaluate the quality of the audit performed.

USAID awards including the budgeted amounts by category and major items and the revenues received from USAID for the period covered by the audit and the costs reported by CCCRN as incurred from October 1, 2024, to September 30, 2025; (2) evaluated the control environment, the adequacy of the accounting systems, and control procedures that pertain to CCCRN's ability to report financial data consistent with the assertions embodied in each account of the schedule of expenditures of USAID awards; (3) identified the award terms and pertinent laws and regulations and determined which of those, if not observed, could have a direct and material effect on the schedule of expenditures of USAID awards; and (4) reviewed the implementation status of the prior period recommendations. CCCRN reported expenditures of \$7,068,962 in USAID funds during the audited period.

The audit firm concluded the schedule of expenditures of USAID awards presented fairly, in all material respects, program revenues and costs incurred under the awards for the period audited. The audit firm identified no questioned costs; no material weaknesses in internal control; and no instances of material noncompliance. The audit firm also issued a management letter.

Accordingly, we are not making any recommendations.
