The Honorable Sylvia Mathews Burwell, Director
Office of Management and Budget

SUBJECT: Fiscal Year 2013 Report on the United States African Development Foundation's
Implementation of Audit Recommendations Relating to Travel and
Purchase Cards

Dear Director Burwell:

This is the U.S. Agency for International Development Office of Inspector General's (OIG's) first annual report on the United States African Development Foundation's (USADF's) implementation of audit recommendations relating to travel and purchase cards, required under the Government Charge Card Abuse Prevention Act of 2012 (Public Law 112-194). The Office of Management and Budget (OMB) provided guidance for interpreting the law's requirements in OMB Memorandum M-13-21, "Implementation of the Government Charge Card Abuse Prevention Act of 2012." OMB directed that executive agency OIGs report annually on the implementation of recommendations concerning purchase and travel cards, including both open recommendations and those closed during the prior fiscal year.

A thorough search of OIG audit recommendations relating to USADF's travel or purchase card (including convenience check) programs did not reveal any open recommendations or any that were closed in fiscal year 2013.

Sincerely,

/s/

Michael Carroll
Acting Inspector General
